ENTERTAIN AND INFORM

HARMAN Professional Solutions offers a portfolio of solutions with a breadth and a depth that meets the needs of any cruise ship. From the minute a guest boards to the moment they leave, HARMAN audio, video, lighting, and control is shaping the experience, ensuring they will remember their stay for years to come.

CASINO

The Ultimate Gaming Experience

Gaming floors may be large and open, but each area of the casino requires the perfect tailored experience. With HARMAN's industry-leading audio technologies, sound can be set to meet the needs of the specific space, while digital signage, video distribution, and sound reinforcement technologies from HARMAN draw the guests' attention and set the tone.

GYM / SPA

Tech That Keeps Working

Technology in gyms and spas keep guests in the zone, whether they are having a blissful massage or taking an aerobics class. HARMAN audio, video, and digital signage solutions keep guests connected, while moisture-resistant head-worn microphones endure the rigors of daily workouts at sea.

GUEST ROOM

A Home Away From Home – But Better

Cruise ship staterooms are designed to provide all the comforts of home, while also offering an experience like no other. With HARMAN automation, guests can control the cabin's audio, video, lighting, and more from an intuitive interface.

LOBBY / ATRIUM / PUBLIC AREA

Clarity and Class

Atriums and other public areas communicate with guests and craft a unique experience. HARMAN digital signage and architectural lighting sets the mood while sound-shaping loudspeakers ensure guests can hear ship announcements clearly no matter the space.

NIGHTCLUB

Get Lost in the Moment

Nightclubs, live music venues, bowling alleys, and other entertainment venues offer guests an engaging and immersive experience. Guests will be lost in the music as HARMAN's performance audio and lighting solutions set the mood.

POOL DECK

Entertain In Any Weather

Going top-side on the ship provides guests with excitement and entertainment of many varieties, including pools and water slides, dining, rope courses, zip lines and more. It can also be a rugged environment for equipment on the high seas. HARMAN's audio, video, and lighting solutions are able to keep the party going no matter weather.

THEATER

The Total Performance Solution

From Broadway to rock and roll, the biggest performances in the world rely on HARMAN. With innovative solutions for every part of the audio signal chain from microphone to speaker and industry-leading performance lighting technology, HARMAN will create a memorable performance no matter what type of show it is.

RESTAURANT / BAR

Dining to Remember

Cruise ship restaurants and bars offer guest diverse, themed atmospheres that vary the day-to-day dining experience. HARMAN solutions craft the perfect solution for any type of space, engaging guests with lighting, music, television, and more
