

# HOTELS

## YOUR ONE SOLUTION GUIDE

In today's hospitality market, the competition to attract and retain loyal guests is fiercer than ever. What gives your property an edge? Technology has become a key component of a superior guest experience.

Resort venues have become destinations in themselves, with dining, entertainment and even retail experiences offering immersive sound, video and lighting rivaling the best any city has to offer. Whether you're outfitting a boutique property or a global megabrand, bring your most ambitious hotel concepts to life with integrated premium A/V technologies from HARMAN Professional.

### EVERYTHING YOU NEED OUTFIT AN ENTERTAINMENT DESTINATION

- World-class sound, video, lights and atmospheric effects
- Integrated audio, video, lighting and control technologies
- Scalable systems for evolving entertainment needs
- A breadth of products for any application
- World-class technical support, anywhere in the world

## A ONE-STOP SOLUTION

HARMAN Professional is the only complete audio, video, lighting and control vendor in the professional A/V market. We're a house of iconic brands, including AKG, AMX, BSS, Crown, dbx, JBL Professional, Lexicon, Martin Lighting and Soundcraft.

As part of the Samsung family, we have the power and resources of a global operation and the flexibility of an independent, agile company. We take ownership in everything we do, and no project is too big or too small.

### GRAND MERCURE YANGON GOLDEN EMPIRE HOTEL, MYANMAR

After its debut in Asia Pacific nearly 20 years ago, Grand Mercure now operates a network of more than 50 upscale hotels and resorts globally under the international chain AccorHotels. To meet the hotel's requirements, audio contractor Ghin Gar Cherry Trading Co. installed an end-to-end HARMAN audio system, consisting of JBL speakers, Crown amplifiers and Soundcraft mixers.
