Control and Automation

DANCE FLOOR

BAR / LOUNGE

BUILDING THE ULTIMATE PLAYGROUND

HARMAN Professional Solutions provides bold innovations that enable karaoke venues to create unique and engaging entertainment experiences in every space. From the lobby to the entertainment spaces to the lounge, HARMAN has the perfect solution to meet your needs.

BAR / LOUNGE

Relax and Entertain

The bar or lounge allows guests to drink and talk right without leaving the venue, offering everything they need within a single space. HARMAN audio, video, and lighting solutions allow guests to relax while still engaging in the fun.

DANCE FLOOR

Move And Shake

A dance floor isn't complete without the thumping bass and flashing lights. Guests will be lost in the music as HARMAN's performance audio and lighting solutions provide the ultimate experience.

EXTERIOR

The Perfect First Impression

A building's exterior can impact guests before they even walk through the door. HARMAN architectural lighting and digital signage solutions enhance the existing architecture while reinforcing a venue's brand, creating a signature experience.

KARAOKE ROOMS

Sing Like A Star

HARMAN audio, video, and lighting solutions are used by the biggest music acts in the world. With our karaoke solutions, guests can step into the spotlight and feel like they are on the big stage any time they want.

LOBBY

A Welcoming Experience

A clear sense of identity in the lobby is critical to crafting the overall experience. HARMAN lobby solutions welcome guests with digital signage, architectural lighting, and background music.
