DAZZLE YOUR GUESTS

Themed attractions around the world leverage HARMAN audio, video, lighting and control solutions to create the ideal immersive experience for their guests. These solutions can be integrated into virtually any part of a venue or attraction to produce a unique atmosphere that can be replicated day after day. Operators of themed attractions rely on HARMAN's wide range of audiovisual products for customized, scalable systems that meet all of their needs.

EVENTS STAGE

Legendary Sound and Lighting

Music tours and other live events require the perfect technology solution to immerse attendees in all the sights and sounds. With HARMAN performance solutions, themed attraction operators can deliver high-impact entertainment using dynamic audio and impressive visuals.

INDOOR / DARK RIDES

An Immersive Experience

Indoor and dark rides provide stunning visuals that add an extra level of excitement to a thrill ride or attraction. HARMAN's innovative, custom visual designs can give a ride a new identity, while automated control solutions make it easier for staff to operate.

EXTERIOR / RIDE FAÇADE

The Ultimate Statement

Building exteriors and ride façades make a lasting statement, permanently changing the city skyline and impacting guests throughout their visit. HARMAN architectural lighting and LED video solutions turn the outside of buildings and rides into works of art, creating a signature experience.

PERFORMING ARTS

The Total Performance Solution

The biggest theater performances in the world rely on HARMAN. With innovative solutions for every part of the audio signal chain from microphone to speaker and industry-leading performance lighting technology, HARMAN will create a memorable experience.

PUBLIC AREAS

Set the Mood

Public areas where guests walk is where the “theme” of a themed attraction is often established. HARMAN digital signage and video distribution informs and excites guests in these spaces while architectural lighting and background music sets the perfect mood.

RETAIL

Attract and Engage

The perfect retail store solution draws a customer in and encourages them to learn more about available products. HARMAN architectural lighting, digital signage, and background audio technologies engage customers with innovation and style.

RESTAURANTS

Dining to Remember

Park restaurants allow guests to enjoy food or drink without needing to leave the venue. HARMAN solutions craft the perfect experience that engages guests with background music, television, lighting, and more that can be easily themed to provide the perfect dining experience.
